

Passage Memorization Worksheet

1. Please write below **the first stanza** of your chosen passage. If it does not have clear stanzas, write the first section of 4 to 6 lines. You may copy it or write it from memory. Check it afterwards to make sure you have got it right.

2. In your own words, write down what this stanza is about.

3. Are there any patterns or images that can help you remember the flow of this stanza? What are they?

4. Now write the stanza again. Try doing it without looking at the words. Then review the text to be sure you have got it right.

5. Please write **the second stanza** of your chosen passage below. If it does not have clear stanzas, write the second section of 4 to 6 lines. You may copy it or write it from memory. Check it afterwards to make sure you have got it right.
